The Honorable Board of Supervisors
County of Los Angeles
383 Kenneth Hahn Hall of Administration
500 West Temple Street
Los Angeles, California 90012

Dear Supervisors:

**LAC+USC MEDICAL CENTER
ACCEPT GRANT WITH UNITED STATES ENVIRONMENTAL PROTECTION AGENCY
APPROVE APPROPRIATION ADJUSTMENT
APPROVE AMENDMENT TO THE EXECUTIVE CAMPUS
PLANNER CONSULTANT SERVICES AGREEMENT
(FIRST DISTRICT)
(4 VOTES)**

SUBJECT

These actions will accept a United States Environmental Protection Agency grant to perform environmental site investigation services, approve an appropriation adjustment, and approve an amendment to the Executive Campus Planner Consultant Services Agreement for the LAC+USC Medical Center Campus.

IT IS RECOMMENDED THAT THE BOARD:

1. Find the Phase II site investigation activities exempt from the California Environmental Quality Act as they involve feasibility and planning studies and information collection for the reasons stated in this letter and in the record of the Project.
2. Authorize the Chief Executive Officer, or his designee, to accept a grant in the amount of \$200,000 from the United States Environmental Protection Agency to perform environmental site investigation services at the LAC+USC Medical Center Campus.
3. Approve the appropriation adjustment in the amount of \$200,000 to increase appropriation in the Project and Facility Development Fund to fund environmental site investigation services, which is

offset revenue through acceptance of a United States Environmental Protection Agency grant.

4. Authorize the Chief Executive Officer, or his designee, to amend the Executive Campus Planner Consultant Services Agreement with Lee, Burkhardt, Liu, Inc. (Agreement No. CP-03), to provide environmental site investigation as part of the Executive Campus Planner services for the LAC+USC Medical Center Campus Plan for a maximum not-to-exceed cost of \$200,000, via a contract amendment that is approved as to form by County Counsel.

PURPOSE/JUSTIFICATION OF RECOMMENDED ACTION

Approval of the recommended actions will accept the United States Environmental Protection Agency (USEPA) grant to fund environmental site investigation services at the LAC+USC Medical Center campus, and authorize an amendment to the current Executive Campus Planner Consultant Services Agreement to perform the site investigation services.

In June 2010, the Chief Executive Officer (CEO) submitted an application to the USEPA under the Brownfield Assessment Competitive Grant Programs to assist local governments with investigative assessment and/or remediation of sites in the East Los Angeles area. The Phases I and II environmental investigative assessment will review the past history of selected identified property areas to assist where there may be contaminants which must be remediated. Additionally, the final environmental investigation results will identify the best methods for making the site safe and clean for a new proposed future use. Beginning Phase II investigation services are dependent upon the results and completion of Phase I.

The review of County-owned properties in the East Los Angeles area, resulted in no eligible property to perform the grant authorized environmental site investigative services. In May 2012, the County requested the USEPA's approval to allow the LAC+USC Medical Center Campus as an eligible property site due to its close proximity to the East Los Angeles area. In June, 2012, the USEPA approved the LAC+USC Medical Center Campus and awarded the County a grant to conduct Phases I and II site investigation assessments for hazardous substance.

In March 2012, the Board approved an Executive Campus Planner Consultant Services Agreement with Lee, Burkhardt, Liu, Inc. (LBL) for the LAC+USC Medical Center campus to develop a Master Plan to guide the redevelopment of the campus to more efficiently provide essential health care services and meet the needs of the surrounding communities, including initial environmental site investigation services.

It is recommended that the Board accept the grant, authorize the CEO to execute a grant agreement with USEPA for the Phases I and II site investigation assessments, and amend the Executive Campus Plan Consultant Services Agreement to allow for additional environmental site investigations services offset by the USEPA grant.

Implementation of Strategic Plan Goals

The recommended actions meet the Board approved County Strategic Plan Goal of Operational Effectiveness (Goal 1), by completing the proposed additional investigation services in the most efficient and cost-effective manner. It also directs us to provide Integrated Services Delivery (Goal 3) by maximizing opportunities to measurably improve client and community outcomes and leverage resources through the continuous integration of health, community, and public safety services.

FISCAL IMPACT/FINANCING

The proposed Amendment No. 1, which will encompass the changes reflected in Recommendation No. 4, increases the LBL consultant agreement by an aggregate amount of \$200,000 in USEPA approved grant. This will revise the maximum contract total amount to \$3,200,000. The attached appropriation adjustment will increase appropriation in the Project and Facility Development Fund by \$200,000 with an increase in offsetting revenue approved with the acceptance of the USEPA grant. Upon the Board's approval of the USEPA grant, sufficient funds will be available Fiscal Year 2012-13 Project and Facility Development Budget for approval of this amendment.

The LBL Executive Campus Planner Consultant Services Agreement is funded by net County cost \$3,000,000, and \$200,000 USEPA grant.

FACTS AND PROVISIONS/LEGAL REQUIREMENTS

The proposed grant agreement with USEPA will be reviewed and approved as to form by County Counsel prior to execution by the CEO.

A standard Consultant Services Agreement amendment, in the form previously approved by County Counsel, will be used. The standard Board-directed clauses that provide for contract termination, renegotiation, and hiring displaced County employees will be included.

LBL is in full compliance with Los Angeles County Code Chapter 2.200 (Child Support Compliance Program) and Chapter 2.203 (Contractor Employee Jury Service Program).

ENVIRONMENTAL DOCUMENTATION

The Phase I activities covered under the USEPA grant and amended Consultant Services Agreement are not considered a project under the California Environmental Quality Act (CEQA) because it is an activity that is excluded from the definition of a project by Section 15378(b) of the State CEQA Guidelines. Phase I includes document review activities, which will not result in direct or indirect physical changes to the environment.

The Phase II activities covered under the USEPA grant and amended the Executive Campus Planner Consultant Services Agreement are statutorily exempt from CEQA under Section 15262 of the State CEQA Guidelines. The proposed Phase II activities include feasibility and planning studies, including limited site investigation activities for possible future actions which the Board has not yet approved and, which do not include adoption of a plan that will have a legally binding effect on later activities.

The Phase II activities are also categorically exempt from CEQA under Section 15306 of the State CEQA Guidelines and Class 6 of the County's Environmental Document Reporting Procedures and Guidelines, Appendix G, as the activity involves data collection, research and resource evaluation activities leading to potential action, which has not been approved, adopted or funded to date.

We will return to the Board for approval of any proposed remediation activities at the site along with

the appropriate environmental documentation.

IMPACT ON CURRENT SERVICES (OR PROJECTS)

There will be no impact on services to other County departments or to the public.

CONCLUSION

Please return one adopted copy of this Board letter to the Chief Executive Office, Capital Projects Division.

Respectfully submitted,

A handwritten signature in black ink, appearing to read 'W. T. Fujioka', with a long horizontal line extending to the right.

County of Los Angeles Brownfields Assessment Grant Work Program

A. RECIPIENT TITLE

County of Los Angeles R9 Tracking #: 10-351

B. BACKGROUND

The County of Los Angeles will use ~~Community-wide Hazardous Substances (\$200,000) and Community-wide Petroleum Product (\$200,000)~~ Assessment Grant by the U.S. Environmental Protection Agency (USEPA) to facilitate remediation of blighted and potentially contaminated properties in the unincorporated territory of the County of Los Angeles. The goal of the program is to facilitate redevelopment to beneficial uses for County residents and visitors. ~~A priority of assessment will be County-owned properties or properties adjacent to County-owned properties in the unincorporated areas of East Los Angeles (East LA) which is an older urbanized area which is predominantly occupied by lower income households.~~ The East LA area is also an area with a high concentration of County-owned sites and is an area which is deficient in parks, recreation and open space. Therefore, one of the priorities for assessment program is to determine the sites which are ~~most suitable for park and open space use in the East LA area.~~ Other County owned sites will be reviewed for strategic re-use and redevelopment through a public-private partnership agreement.

~~The Community-wide Assessment Grant will be used to prioritize the inventory of sites and conduct Phase I Assessments and Phase II Assessments.~~ Priority sites will include those with the greatest possibility for strategic re-use for parks and open space, housing or employment generating uses. In some situations, adjacent privately owned parcels may be prioritized for assessment if such parcels are considered critical for the strategic re-use of County-owned sites. The prioritization of sites will follow key policy direction included in the County of Los Angeles *Strategic Asset Management Plan for 2020*, the County *General Plan*, community specific plans and priorities from our public outreach process.

C. GOALS AND OBJECTIVES

1. EPA Strategic Plan.

This project supports EPA's Strategic Plan and GPRA Goal 4: Healthy Communities and Ecosystems, Objective 4.2 Communities – Sustain, Clean Up, and Restore Communities and the Ecological Systems that Support Them, Sub-objective 4.2.3 Assess, Clean Up and Redevelop Brownfields.

2. Project Goals

The overarching goal of the program is to assess County-owned properties to determine their suitability for re-use to meet multiple public community development needs including the provision of parks and open space in neighborhoods lacking open space or positive re-use of other community

development goals. Towards this larger goal, the County will:

1. Identify, inventory, rank and assess County-owned sites to determine their feasibility, suitability and priority for positive public re-use.
2. Conduct Phase I assessments for priority sites and select the most feasible sites for Phase II assessments.
3. Based on the Phase I and II assessment information develop a list of properties to seek clean-up funds for to ensure successful progress towards re-use.

Outputs:

- Quarterly Progress and Financial Reports
- Property Profile Forms and updates submitted to the ACRES system
- Approximately 18 Phase 1 hazardous materials assessments;
- Approximately 18 Phase 1 petroleum product assessments;
- Approximately 4 Phase II assessments for hazardous materials sites;
- Approximately 4 Phase II assessments for petroleum product sites;
- 3 community meetings in the East Los Angeles area on the grants

Outcomes:

- Inventory and ranking of County owned sites in East LA:
- Sites prioritized for assessment and re-use potential
- 3 community meetings in the East Los Angeles area on the grants resulting in a more informed and engaged citizenry.
- Acres of properties assessed for open space and community use in East LA.
- Acres of County-owned land which is suitable for public park use in order to correct for the extreme deficiency of parks, open space and public facilities in the East LA area.

D. TASKS

Task 1 - Project Management and Planning

a. Task Description

Through-out this process, the County Chief Executive Office will be responsible for grant management, public information and involvement, and community updates, EPA reporting requirements, and management of the selected assessment consultant(s). The County of Los Angeles will provide County staff time for this program on an in-kind basis at an estimated value of \$30,000. A sum of \$6,000 is allocated to the contractual budget to ensure that the contractor coordinates effectively with the County, U.S. EPA and regulatory agencies. This will allow the County to maximize grant funds on the actual assessment process. Major tasks associated with this effort include:

- ~~Development of a Request for Qualifications/~~ Proposal to selecting a contractor to assist with the inventory and assessment work.
- ~~Develop and monitor the contract with the qualified environmental assessor or firm.~~

- **Determination of the oversight process for the project** (regulatory authority, oversight agency, and point of contact). This will include identifying how the County and contractor will work with the State of California Department of Toxic Substances Control and/or Regional Water Quality Control to ensure sampling plans, Phase II assessments and other activities conform to and meet these agencies requirements.
- **Coordination with U.S. EPA Region 9** on implementation issues of the grant.
- **Legal consultation** related to the assessment
- **Attending meetings and conferences** related to brownfields at the project.

b. Task Budget

Cost: Brownfields Grant **\$11,000.00** (\$5,500 petroleum grant and \$5,500 hazardous substances grant)

c. Schedule

Task Start Date: October 1, 2010

Task Completion Date: December 31, 2013

d. Deliverables

The deliverables include:

- Draft RFP/ RFQ or other contractor selection documents
- Letter report describing project regulatory oversight approach, applicable oversight fees for the project, and points of contact for the regulatory agency.
- Correspondence related to review of documents by DTSC or RWQCB.

Task 2 - Community Outreach

a. Task Description

This task includes implementing our strategy for community outreach and public involvement. Because the East LA target area is a very large and diverse area, the budget includes both staff and consultant costs, and translation services. **Translation services** for outreach materials and workshops may be needed because of the relatively high percentage of Spanish speaking residents and limited-English Asian residents in the East LA area. This task includes holding at least 3 public meetings in East LA on the grant, regular website information updates, and news releases to the media as the program progresses.

Important sub-tasks for community outreach include:

- Prior to initiation of the Phase I Assessments, the County and selected contractor will organize **kick-off workshops** in the East Los Angeles area to describe the grant and

assessment process. At this workshop, participants will receive information on the EPA Brownfields Program, information on the site assessment process and why it is important to assess sites. At this meeting residents by sub-area will be able to give input on the criteria for selecting properties for assessment. The public will also receive information on how they can monitor the progress of the program through periodic updates on the website.

- ~~Maintain and post information and updates on the Los Angeles County web-site regarding the program's progress.~~
- ~~Develop if necessary, community notification process for selected Phase II properties.~~

b. Task Budget

Cost: Brownfields Grant ~~\$ 16,000.00~~ (\$8,000 for petroleum grant and \$8,000 for hazardous materials grant).

c. Schedule – Community Outreach

Task Start Date: October 1, 2010

Task Completion Date: December 31, 2013

d. Deliverables

Deliverables include:

- Meeting notices for Kick-off Workshops
- Press releases and any press coverage
- Fact sheets and other outreach materials
- Notes from outreach meetings
- Website for outreach (document with paper print)
- Summary of public questions or comments

Task 3 – Conduct Inventory, Site Selection and Site Approval

a. Task Description

~~The first task in the site selection process will be to update the existing inventory list of County owned sites and to map these sites. The map of sites can be compared to other major planning documents to determine land use, planned park strategies, connections to trails, and other criteria that will be used to set the criteria for prioritizing sites for assessment.~~

~~The second major task will be the development of screening criteria to help prioritize sites for assessment. Criteria will be developed and weighted and applied to candidate sites to determine the priority for assessment. The suitability and feasibility of re-use for parks and open space will be among the criteria along with other factors such as market feasibility for redevelopment, public priority, and potential impact on the environment. The County will work with the community (see community outreach) and our partners to develop the final criteria for prioritizing sites.~~

~~The final list of sites for assessment will be initially evaluated for conformity with EPA's eligibility requirements. The list will be sent to EPA for approval.~~

b. Task Budget

Cost: Brownfields Grant ~~\$12,000.00~~ (\$6,000 for petroleum grant and \$6,000 for hazardous materials grant).

c. Schedule

Task Start Date: October 1, 2010 Task Completion Date: July 30, 2011

d. Deliverables

Deliverables may include:

- Publicly owned site inventory list
- Criteria to rank sites
- List of ranked sites
- Site approval forms.

Task 4—Quality Assurance

a. Task Description

~~The County estimates that approximately 8 sites will receive Phase II assessments.~~ Prior to undertaking any sampling, the contractor(s) will prepare a Quality Assurance Project Plan (QAPP) that meets the approval of California Department of Toxic Substances Control (DTSC) and the U.S. EPA. The County will work in close coordination with EPA to determine the approach and adequacy of sampling plans, Human Health and Safety Plans and other components of the Phase II process.

b. Task Budget

Cost: Brownfields Grant (See Task 6 Phase II—Quality Assurance activities included in this budget).

c. Schedule

Task Start Date: April 2012 Task Completion Date: December 2013

d. Deliverables

Deliverables include:

- Draft QAPP or SAP
- Final QAPP or SAP
- Relevant correspondence from DTSC or RWQCB

Task 5 Conduct Phase I Activities

a. Task Description

Based on the inventory and priority list, the County will work with a Qualified Environmental Consultant to prepare up to 30 Phase I Assessments of which up to 15 will be for petroleum sites and up to 15 will be for hazardous materials sites. Each of the Phase I assessments will be conducted in accordance with ASTM 1527-05 Environmental Site Assessment (ESA) standards, and EPA's *All Appropriate Inquiries Final Rule* and shall include a site visit and, interviews. It is estimated that each Phase I assessment may cost approximately \$4,250. This is based on recent proposals received for Phase 1 assessments in the LA area. Sites will be identified later based on the inventory and prioritization process.

b. Task Budget

Cost: Brownfields Grant ~~\$161,000.00~~ (\$80,500 for petroleum grant and \$80,500 for hazardous materials grant).

c. Schedule

Task Start Date: July 30, 2011

Task Completion Date: June 30, 2012

d. Deliverables:

Deliverables include:

- Phase I (AAI) reports (up to 30 reports of which half will be petroleum product sites and half will be hazardous substances sites).
- Updated AAI reports

Task 6 Conduct Phase II Activities

Of the approximately 30 sites to receive Phase I assessments, approximately 8 of these sites will be identified for Phase II assessment. Therefore, sites are not known at this time but will be identified after the Phase I assessments are completed. The criteria for Phase II assessment will be a priority re-use site with suspected contaminants based on the Phase I assessment. The purpose of the Phase II investigations will be to delineate the areas of contamination and environmental concern at the site, confirm whether further investigation and/or remediation is warranted, and provide a basis for estimating the cleanup and potential remediation cost. Phase II ESAs shall conform with ASTM E1903-97 Standard Guide for Environmental Site Assessment: Phase II Environmental Site Assessment Process. Prior to undertaking any sampling, the contractor(s) will prepare a Quality Assurance Project Plan (QAPP) that meets the approval of California Department of Toxic Substances Control (DTSC) and the U.S. EPA. The County will work in close coordination with EPA to determine the approach and adequacy of sampling plans, Human Health and Safety Plans and other components of the Phase II process. (See also Task 4 above).

b. Task Budget

Cost: Brownfields Grant ~~\$200,000.00~~ \$100,000 Petroleum Grant and \$100,000 Hazardous Substances Grant).

c. Schedule

Task Start Date: July 2012

Task Completion Date: December 2013

d. Deliverables

Deliverables include:

- Up to 8 ASTM Phase II reports

Task 7 - Cleanup Plans/End Use Planning/ Health Monitoring

Not Applicable

Task 8 - Reporting Activities

a. Task Description

Regular Reporting: The selected environmental consultant will provide monthly status reports to the County that will be used in preparing the Quarterly Progress and Financial reports to EPA. The quarterly reports will document the measurable grant outcomes and outputs stipulated in the Cooperative Agreement Work Plan. The Quarterly Reports will generally follow the format of the approved workplan and will include a list, by project task and budget category, of expenses that will be invoiced and/or have been invoiced during the reporting period. The Quarterly Report will also include a description of cumulative expenditures to date by project task and budget category. The quarterly budget summaries will include information on recipient's cost share Property Profile Forms (PPF). An updated PPF is required each quarter thereafter.

Final Summary Report: The County and selected environmental consultant will prepare a final summary report describing the initial goals and objectives of the brownfields grant, accomplishment of the goals and objectives, and any changes implemented. The report will highlight lessons learned and clearly describe future tasks which will be necessary to complete the cleanup and development of the site(s). The report will describe resources leveraged during the project (other than the EPA grant), how they were used, and any resources leveraged to continue the project after the expiration of the brownfields grant. The report should include any supporting assessment documents or summaries not previously provided. The Final Summary Report will also include a final property profile (OMB NO. 2050-0192).

Project Closeout: The grantee will need to comply with closeout requirements in the Terms and Conditions of the Cooperative Agreement.

b. Task Budget

Cost: Brownfields Grant: See Task 1: Project Management – Costs included in Project Management Budget.

c. Schedule

Project Start Date: December 30, 2010
2013

Project Completion Date: December 30,

d. Deliverables

Project deliverables due to the Project Officer include:

- Quarterly progress reports,
- Property Profile Forms
- Final Summary Report
- Field reports, if applicable

Administrative deliverables due to the Grant Specialist include:

- Annual Financial Status Reports (FSR)
- Final FSR
- MBE/WBE Utilization Reports

ASSURANCES - NON-CONSTRUCTION PROGRAMS

Public reporting burden for this collection of information is estimated to average 15 minutes per response, including time for reviewing instructions, searching existing data sources, gathering and maintaining the data needed, and completing and reviewing the collection of information. Send comments regarding the burden estimate or any other aspect of this collection of information, including suggestions for reducing this burden, to the Office of Management and Budget, Paperwork Reduction Project (0348-0040), Washington, DC 20503.

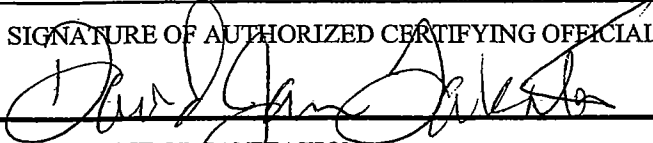

PLEASE DO NOT RETURN YOUR COMPLETED FORM TO THE OFFICE OF MANAGEMENT AND BUDGET. SEND IT TO THE ADDRESS PROVIDED BY THE SPONSORING AGENCY.

NOTE: Certain of these assurances may not be applicable to your project or program. If you have questions, please contact the awarding agency. Further, certain Federal awarding agencies may require applicants to certify to additional assurances. If such is the case, you will be notified.

As the duly authorized representative of the applicant, I certify that the applicant:

- | | |
|--|---|
| <ol style="list-style-type: none"> 1. Has the legal authority to apply for Federal assistance and the institutional, managerial and financial capability (including funds sufficient to pay the non-Federal share of project cost) to ensure proper planning, management and completion of the project described in this application. 2. Will give the awarding agency, the Comptroller General of the United States and, if appropriate, the State, through any authorized representative, access to and the right to examine all records, books, papers, or documents related to the award; and will establish a proper accounting system in accordance with generally accepted accounting standards or agency directives. 3. Will establish safeguards to prohibit employees from using their positions for a purpose that constitutes or presents the appearance of personal or organizational conflict of interest, or personal gain. 4. Will establish safeguards to prohibit employees from using their positions for a purpose that constitutes or presents the appearance of personal or organizational conflict of interest, or personal gain. 5. Will comply with the Intergovernmental Personnel Act of 1970 (42 U.S.C. 4728-4763) relating to prescribed standards for merit systems for programs funded under one of the 19 statutes or regulations specified in Appendix A of OPM's Standards for a Merit System of Personnel Administration (5 C.F.R. 900, Subpart F). 6. Will comply with all Federal statutes relating to nondiscrimination. These include but are not limited to: (a) Title VI of the Civil Rights Act of 1964 (P.L. 88-352) which prohibits discrimination on the basis of race, color or national origin; (b) Title IX of the Education Amendments of 1972, as amended (20 U.S.C. 1681-1683, and 1685-1686), which prohibits discrimination on the basis of sex; (c) Section 504 of the Rehabilitation Act of 1973, as amended (29 U.S.C. 794), which prohibits discrimination on the | <ol style="list-style-type: none"> basis of handicaps; (d) the Age Discrimination Act of 1975, as amended (42 U.S.C. 6101-6107), which prohibits discrimination on the basis of age; (e) the Drug Abuse Office and Treatment Act of 1972 (P.L. 92-255), as amended, relating to nondiscrimination on the basis of drug abuse; (f) the Comprehensive Alcohol Abuse and Alcoholism Prevention, Treatment and Rehabilitation Act of 1970 (P.L. 91-616), as amended, relating to nondiscrimination on the basis of alcohol abuse or alcoholism; (g) 523 and 527 of the Public Health Service Act of 1912 (42 U.S.C. 290 dd-3 and 290 ee-3), as amended, relating to confidentiality of alcohol and drug abuse patient records; (h) Title VII of the Civil Rights Act of 1968 (42 U.S.C. 3601 et seq.), as amended, relating to nondiscrimination in the sale, rental or financing of housing; (i) any other nondiscrimination provisions in the specific statute(s) under which application for Federal assistance is being made; and (j) the requirements of any other nondiscrimination statute(s) which may apply to the application. 7. Will comply, or has already complied, with the requirements of Titles II and III of the Uniform Relocation Assistance and Real Property Acquisition Policies Act of 1970 (P.L. 91-646) which provide for fair and equitable treatment of persons displaced or whose property is acquired as a result of Federal or federally-assisted programs. These requirements apply to all interests in real property acquired for project purposes regardless of Federal participation in purchases. 8. Will comply, as applicable, with provisions of the Hatch Act (5 U.S.C. 1501-1508 and 7324-7328) which limit the political activities of employees whose principal employment activities are funded in whole or in part with Federal funds. |
|--|---|

<p>9. Will comply, as applicable, with the provisions of the Davis-Bacon Act (40 U.S.C. 276a to 276a-7), the Copeland Act (40 U.S.C. 276c and 18 U.S.C. 874), and the Contract Work Hours and Safety Standards Act (40 U.S.C. 327-333), regarding labor standards for federally-assisted construction subagreement.</p> <p>10. Will comply, if applicable, with flood insurance purchase requirements of Section 102(a) of the Flood Disaster Protection Act of 1973 (P.L. 93-234) which requires recipients in a special flood hazard area to participate in the program and to purchase flood insurance if the total cost of insurable construction and acquisition is \$10,000 or more.</p> <p>11. Will comply with environmental standards which may be prescribed pursuant to the following: (a) institution of environmental quality control measures under the National Environmental Policy Act of 1969 (P.L. 91-190) and Executive Order (EO) 11514; (b) notification of violating facilities pursuant to EO 11738; (c) protection of wetlands pursuant to EO 11990; (d) evaluation of flood hazards in flood plains in accordance with EO 11988; (e) assurance of project consistency with the approved State management program developed under the Coastal Zone Management Act of 1972 (16 U.S.C. 1451 et seq.); (f) conformity of Federal actions to State (Clean Air) Implementation Plans under Section 176(c) of the Clean Air Act of 1955, as amended (42 U.S.C. 7401 et seq.); (g) protection of underground sources of drinking water under the Safe Drinking Water Act of 1974, as amended (P.L. 93-523); and, (h) protection of endangered species under the Endangered Species Act of 1973, as amended (P.L. 93-205).</p>	<p>12. Will comply with the Wild and Scenic Rivers Act of 1968 (16 U.S.C. 1271 et seq.) Related to protecting components or potential components of the national wild and scenic rivers system.</p> <p>13. Will assist the awarding agency in assuring compliance will Section 106 of the National Historic Preservation Act of 1966, as amended (16 U.S.C. 470), EO 11593 (identification and protection of historic properties), and the Archaeological and Historic Preservation Act of 1974 (16 U.S.C. 469a-1 et seq.).</p> <p>14. Will comply with P.L. 93-348 regarding the protection of human subjects involved in research, development, and related activities supported by this award of assistance.</p> <p>15. Will comply with the Laboratory Animal Welfare Act of 1966 (P.L. 89-544, as amended, 7 U.S.C. 2131 et seq.) Pertaining to the care, handling, and treatment of warm blooded animals held for research, teaching, or other activities supported by this award of assistance.</p> <p>16. Will comply with the Lead-Based Paint Poisoning Prevention Act (42 U.S.C. 4801 et seq.) Which prohibits the use of lead-based paint in construction or rehabilitation of residence structures.</p> <p>17. Will cause to be performed the required financial and compliance audits in accordance with the Single Audit Act Amendments of 1996 and OMB Circular No. A-133, "Audits of States, Local Governments, and Non-Profit Organizations."</p> <p>18. Will comply with all applicable requirements of all other Federal laws, executive orders, regulations, and policies governing this program.</p>

SIGNATURE OF AUTHORIZED CERTIFYING OFFICIAL 	TITLE Senior Manager, CEO	
APPLICANT ORGANIZATION County of Los Angeles		DATE SUBMITTED June 25, 2010

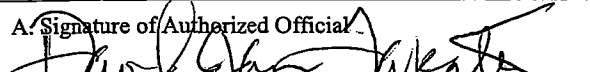

**Preadward Compliance Review Report for
All Applicants and Recipients Requesting EPA Financial Assistance**

Note: Read instructions on other side before completing form.

I. Applicant/Recipient (Name, Address, State, Zip Code). COUNTY OF LOS ANGELES	DUNS No. 02-114-7595
II. Is the applicant currently receiving EPA assistance? NO	
III. List all civil rights lawsuits and administrative complaints pending against the applicant/recipient that allege discrimination based on race, color, national origin, sex, age, or disability. (Do not include employment complaints not covered by 40 C.F.R. Parts 5 and 7. See instructions on reverse side.) <p align="center">Separate attachment will be provided.</p>	
IV. List all civil rights lawsuits and administrative complaints decided against the applicant/recipient within the last year that allege discrimination based on race, color, national origin, sex, age, or disability and enclose a copy of all decisions. Please describe all corrective action taken. (Do not include employment complaints not covered by 40 C.F.R. Parts 5 and 7. See instructions on reverse side.) <p align="center">Separate attachment will be provided.</p>	
V. List all civil rights compliance reviews of the applicant/recipient conducted by any agency within the last two years and enclose a copy of the review and any decisions, orders, or agreements based on the review. Please describe any corrective action taken. (40 C.F.R. § 7.80(c)(3)) <p align="center">Separate attachment will be provided.</p>	
VI. Is the applicant requesting EPA assistance for new construction? If no, proceed to VII; if yes, answer (a) and/or (b) below. <p align="center">Yes <input type="checkbox"/> No <input checked="" type="checkbox"/></p>	
a. If the grant is for new construction, will all new facilities or alterations to existing facilities be designed and constructed to be readily accessible to and usable by persons with disabilities? If yes, proceed to VII; if no, proceed to VI(b). Yes <input type="checkbox"/> No <input type="checkbox"/> b. If the grant is for new construction and the new facilities or alterations to existing facilities will not be readily accessible to and usable by persons with disabilities, explain how a regulatory exception (40 C.F.R. § 7.70) applies. Yes <input type="checkbox"/> No <input type="checkbox"/>	
VII.* Does the applicant/recipient provide initial and continuing notice that it does not discriminate on the basis of race, color, national origin, sex, age, or disability in its programs or activities? (40 C.F.R. § 5.140 and § 7.95) Yes <input checked="" type="checkbox"/> No <input type="checkbox"/> a. Do the methods of notice accommodate those with impaired vision or hearing? Yes <input type="checkbox"/> No <input type="checkbox"/> b. Is the notice posted in a prominent place in the applicant's offices or facilities or, for education programs and activities, in appropriate periodicals and other written communications? Yes <input checked="" type="checkbox"/> No <input type="checkbox"/> c. Does the notice identify a designated civil rights coordinator? Yes <input checked="" type="checkbox"/> No <input type="checkbox"/>	
VIII.* Does the applicant/recipient maintain demographic data on the race, color, national origin, sex, age, or handicap of the population it serves? (40 C.F.R. § 7.85(a)) YES <input checked="" type="checkbox"/>	
IX.* Does the applicant/recipient have a policy/procedure for providing access to services for persons with limited English proficiency? (40 C.F.R. Part 7, E.O. 13166) YES <input checked="" type="checkbox"/>	
X.* If the applicant/recipient is an education program or activity, or has 15 or more employees, has it designated an employee to coordinate its compliance with 40 C.F.R. Parts 5 and 7? Provide the name, title, position, mailing address, e-mail address, fax number, and telephone number of the designated coordinator. N/A <input checked="" type="checkbox"/>	
XI.* If the applicant/recipient is an education program or activity, or has 15 or more employees, has it adopted grievance procedures that assure the prompt and fair resolution of complaints that allege a violation of 40 C.F.R. Parts 5 and 7? Provide a legal citation or Internet address for, or a copy of, the procedures. N/A <input checked="" type="checkbox"/>	

For the Applicant/Recipient

I certify that the statements I have made on this form and all attachments thereto are true, accurate and complete. I acknowledge that any knowingly false or misleading statement may be punishable by fine or imprisonment or both under applicable law. I assure that I will fully comply with all applicable civil rights statutes and EPA regulations.

CERTIFICATION REGARDING LOBBYING

CERTIFICATION FOR CONTRACTS, GRANTS, LOANS AND COOPERATIVE AGREEMENTS

The undersigned certifies, to the best of his or her knowledge and belief, that:

- (1) No Federal appropriated funds have been paid or will be paid, by or on behalf of the undersigned, to any person for influencing or attempting to influence an officer or employee of any agency, a Member of Congress, an officer or employee of Congress, or an employee of a Member of Congress in connection with the awarding of any Federal contract, the making of any Federal grant, the making of any Federal loan, the entering into of any cooperative agreement, and the extension, continuation, renewal, amendment, or modification of any Federal contract, grant, loan, or cooperative agreement.
- (2) If any funds other than Federal appropriated funds have been paid or will be paid to any person for influencing or attempting to influence an officer or employee of any agency, a Member of Congress in connection with this Federal contract, grant, loan, or cooperative agreement, the undersigned shall complete and submit Standard Form-LLL, "Disclosure Form to Report Lobbying," in accordance with its instructions.
- (3) The undersigned shall require that the language of this certification be included in the award documents for all sub-awards at all tiers (including sub-contracts, sub-grants, and contracts under grants, loans, and cooperative agreements) and that all sub-recipients shall certify and disclose accordingly.

This certification is a material representation of fact upon which reliance was placed when this transaction was made or entered into. Submission of this certification is a prerequisite for making or entering into this transaction imposed by section 1352, title 31 U.S. Code. Any person who fails to file the required certification shall be subject to a civil penalty of not less than \$10,000 and not more than \$100,000 for each such failure.
